*The world of tomorrow
will be the world that
has forgiveness of sin.
This is biblical*

January 4, 2018

"You do not know the content of this text yet. When you have read it to the end, tell me, how much would you weigh this worth compared to the things you have in life now. This text, if you understand it well, will set you free."

What is faith. Faith will never stop.

Hebrew 11

11 Faith means being sure of the things we hope for and knowing that something is real even if we do not see it.

This is one of the most important characteristics, one must learn, when he has become a child of god.

Galatians 3:26

For you are all sons of God through faith in Christ Jesus.

Thinking is believing and knowing. God wants you to "have faith and you have faith".

The Gospel is not the message of "no hope",

I always had hope and belief and I was sure about it. My hope and belief (ing-active) became knowledge, after converting this is faith. God answered my questions, before I even converted, this means "he saw me".

That is the reason, why people come to the bible or the bible is given to them, because: by thinking → they ask God and they look for him.

Eventually, I go to work in houses and besides, we talk about things. When it comes to the point, that by chance, we talk about believing, I usually tell this person: "You have been thinking about God and he send me to put you in the big picture", that means explaining what it is all about. It is as easy as that.

And I am very thankful meeting people on such occasion, because I do not spend my time about Religion and Catholic Church, this is the most "time spending" for Christians, when you talk about the Gospel and the answer is: "Religion / Catholic Church". When people mix this with the Gospel, you say "Hamburger with chocolate." That will not work.

You must ask for the Gospel / the TRUTH in your thoughts. God sees you and everybody. He teaches us / them through the usual everyday life, that is, what people do not understand.

Acts 17

27 God did this so that they would seek him and perhaps reach out for him and find him, though he is not far from any one of us.

This world and life is absolutely useless, as long as you do not know who God is. You can work your entire life and end up with what. Your money in other people`s hand, even that, very annoying "laugh about it and forgive".

Let go. Start new. This world will not change, unless people change. This world will stay the same or: people convert. As I said: "the world of tomorrow is the world that has forgiveness of sin."

So, when you are in inner trouble, do this:

CHANGE YOUR THOUGHTS
HAVE FAITH
BELIEVE AND KNOW THAT GOD IS WITH YOU
HE KNOWS YOU

He wants you to grow in your faith. Faith has to grow. Not religious doing. Faith first.

Faith & First / thirst

Stop bad thinking.

YOUR THINKING MUST SERVE YOU
OTHERWISE YOU ARE CONTROLLED
BY THE PAST OR SOMEONE ELSE

Demons and the devil try to change your thoughts. They know your weaknesses. So you do the following:

Matthew 4

10 Jesus said to him, "Away from me, Satan! For it is written: 'Worship the Lord your God, and serve him only.'"

This means: the devil and the demons will try to steal your **faith**. They give you doubts and "do not read the **bible**, you do not need it" - He sends you people, that talk about THIS AND THAT, things that they have heard of "the Bible says....."

Then you ask them; "So why are you not converted yet, why do you talk about the bible and you haven't studied it." So, do not tell me that. If you try to be too friendly to everybody, you reduce the Gospel to what they want.

And then, they get lost, because you do not control the situation.

We are children of god, who have authority. Be clear in what you say. Be clear in the end, when people exaggerate. They may lie.

I had a conversation for over two hours. Someone who knows me for long. He said things of the bible, I answered: "that is not true, what you are saying. You repeat hear say." People hear something and then they repeat it. But they do not check things themselves.

Most people live like that.

Spells?, when you have the impression that demons try to influence you.

They will do this, especially when you sleep.

For yourself you may say: **"Jesus Christ is the Lord, away Satan"** For others, you pray only. You must pray for others, but you do NOT use spells for other people. NEVER.

Pray this in the evening

Matthew 6:9-13 New International Version (NIV)

9 “This, then, is how you should pray:

“Our Father in heaven,
hallowed be your name,

10 your kingdom come,

your will be done,

on earth as it is in heaven.

11 Give us today our daily bread.

12 And forgive us our debts,

as we also have forgiven our debtors.

13 And lead us not into temptation,

but deliver us from the evil one.

Then, you must stop reading Mass Media on a regular basis. Stop it, when you feel bad and learn from it. Stop watching negative things, stop thinking negatively, stop watching Hollywood, stop all of this.

Stop thinking badly.

Then you think differently. It will help you.

Then you pray to God and thank him. Praise him.

You cannot praise the Lord and eat at a table where they serve Hollywood. TV is total rubbish that you do not need. TV is also hypnosis. So, be sure about what you do.

When your thoughts are not "in the right order", think Jesus` Name.

It will help you immediately.

You are emotional? Try to stop being so emotional. Learn from it.

Write it down and pray for it.

Do you remember the subject of the text.

Faith

Mathematics:

You are at 80 Percent, but you believe, you are at 100 Percent "why not now".

You are at 80 Percent. The verse Hebrew 11,1 is the 20 Percent. This, you will have to learn your entire life. This is faith. When you cross this inner border, you will be free. Practise this.

Try this way: Think 1-2 days in advance. Because today is the result of what you thought the days before. Then expand the time frame. Try it with little things. Little things are the same as big things it is just a matter of personally "weighting things".

Some things have become part of a daily routine today, whereas in the past it was not like that. It will become the same, when you stop doubting, with the things, that are possible and for this, you need faith, but do not make it too important. You will have it anyway, if you believe.

I tell you a thing, that I do not tell everybody

This will be the proof of your faith.

You say: My life has become Jesus`paradise on earth.

Say it and have faith.

God will hear that you think like that and it is going to happen. It is not about paradise, it is, because you have this kind of faith.

Then, wait. One year, two years, three years. It will come true. Or, heaven gives you different ways. But, stick to this, if you want an example by someone else.

The way you think and believe will become your life. But, be clear in what you want.

People, who are not converted, they may become rich, but it will come from the devil:

The Temptation of Jesus

...8 Again, the devil took Him to a very high mountain and showed Him all the kingdoms of the world and their glory. 9 "All this I will give You, he said, "if You will fall down and worship me." 10 "Away from me, Satan!" Jesus declared. "For it is written: 'Worship the Lord your God and serve Him only.'"...

You may well see, when you look at the world, that people have become very rich. And they are not converted. They think that their power and luxury and all of it came from God but they neither believe in Jesus, nor do they have a personal relationship with him, THEY CANNOT PRAY TO THE LORD.

Matthew 18:3

and said, "Truly I say to you, unless you are converted and become like children, you will not enter the kingdom of heaven.

Say it and learn it by heart

Galatians 3:26

For you are all sons of God through faith in Christ Jesus.

Hebrew 11

11 Faith means being sure of the things we hope for and knowing that something is real even if we do not see it.

CONVERSION AS FOLLOWS

CONVERT AS FOLLOWS

Confession, forgiveness and rebirth

1. John 1

9 If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness.

If you repent and confess to the Lord Jesus, he will sanctify you. He will forgive your sins, he will do you good, only by believing that he is the Messiah sent by God. That he gave his life, on the cross of Golgatha, for you and for every man who believes, in the and for forgiveness of sins and for salvation through the cross. Jesus has risen from death on the cross. He is the living God. Read the Bible and you will recognize the truth given by the Lord if you are sincere in heart, beginning perhaps with God's love in John 1 and if you believe that he, Christ of the Bible, is the truth. It is your choice, not the one of your neighbor for you, whether you choose eternal life today or whether you will be / get lost one day. If you decide against Jesus, your sins will persist and you will not be able to see salvation.

Repent / Confess your sins and the Lord will open your eyes. He will give you the rebirth / resurrection and send you the assistance, the Comforter, the Spirit of Truth, which the world can not receive. For you personally: There has never been a decision more important than this. Jesus loves you, no matter what you have done, there is nothing he can not forgive you. Do not continue sinning like before after that. When you repent and turn, turn to him, stay with him, in his doctrine. He will cleanse (in the sense of purify) you and bless your life, he will give you eternal life, the spiritual baptism, and will prepare you to see the heavenly Jerusalem one day. The words you choose are the creed. Tell Jesus about your soul burden, about your sins committed. Talk to him. He listens to you and forgives the sin, turn to him. Ask for liberation from the guilt and receive eternal life through his biblical promise. True Godly sorrow brings repentance that leads to salvation without regret and to eternal life.
