

Mass Media, Negative, Demons, Religion
 Antichrists and Religious People "love"
 negative things. They love reading about
 negative. It is part of their being and
 character. These mass media control YOU!
 They are YOUR PERSONAL ENEMY.

Enemy of your life. These negative people
 are always negative but they think, they are
 positive. They are strong, they think, but it
 is weakness. They are controlled by demons.
 Religious people are often controlled by
 demons. They do not live out of faith,
 which is sin. They follow other religious people
 "because everybody's life that. You haven't
 read the Bible a week, have not prayed for
 a week → YOUR FAULT. YOUR MISTAKE.
 Do NOT believe and follow religious people.
 There are DEMONS for every situation and
 characteristics, for your weaknesses, you are
 sad? Demons → They have to be sent away.
 "In the NAME OF JESUS CHRIST: AWAY, SATAN
 AND DEMONS. JESUS CHRIST IS THE LORD,
 Christ of the Bible."
Amen

I want to see you up here.

CHANGE ROUTINES → MAKE NEW ROUTINES

Start the day, reading a psalm.

Be thankful for what you have now

Smile

Forget the past

Do not think about people, jobs, anyone, the way you did before, when it was negative

When you sin, you do not sin on purpose

10 commandments → by Law / strict → NO

→ by heart → Yes

Gospel → by religious doing → No

→ by heart → Yes

Be thankful now, say: thank you

Say: thank you, thank you → to the Lord

Places: You thought had about places?

Change thinking. Renew it. Watch it differently.

It changes your heart. Do not react necessarily to negative, stay neutral.

Try this every day.

Have faith
